The screenshot shows a web browser window displaying the FIRST LEGO League website. The page title is "Colorado Boosters". A prominent green button with the text "Apply for this event group" is circled in red. Below the button, the registration dates are listed as "08/16/2009 - 09/19/2009". In applying for the group, you will select your preferred events in order of priority. Then press “proceed”.

You should get a confirmation that you've applied to the event group.

The Colorado Tournament Planning Committee will respond in due course to your event assignments. That date will probably be the end of September, when team registrations are closed.
